Dear Mr. Moreira:

I do not want to be remiss in not thanking you for attending to our agreed appointment on last Wednesday, March 28th, to discuss our relocation of vehicle/personal effects from Miami to Panama, Rep. of Panama.

Without any doubt having a meeting with a highly professional Representative who is very process oriented, and with excellent Logistics knowledge to provide guidance for a moving hassle free task, made me feel confident and at ease that la Rosa del Monte Express definitely could be our best choice.

My husband I look forward to receiving your quote shortly and hope that it will meet our budget to initiate firm planning of our move to Panama.

Sincerely,

Claudia B. Castillo
